

MURAL MACHINE

YOUR WALL. PRINTED.

Custom murals printed directly onto walls, tile, glass, wood and metal.

SEAMLESS

Ink goes straight on the wall. No wallpaper joins, no vinyl edges, nothing to peel.

SAME DAY

UV-LED ink cures the instant it prints. No drying time, low odor, open the next morning.

ANY SIZE

Up to 8 ft tall and unlimited length. One continuous image across the whole wall.

ANY IMAGE

Your logo, your photo, your artwork - or we design it for you from scratch.

WHERE IT WORKS

- Restaurants, cafes and bars - feature walls, patios, photo backdrops
- Gyms and studios - branded walls, motivational graphics, logo installs
- Salons, spas and barbershops - accent walls guests photograph
- Offices and lobbies - brand murals, glass partitions, wayfinding
- Retail and storefronts - window graphics, seasonal displays
- Homes - nurseries, playrooms, home gyms, theaters, garages

1 We mock it up

Send a photo of your wall.
You see the design first.

2 We prep

Surface cleaned and primed
for a clean, lasting finish.

3 We print

Machine rolls in. Most walls
finish in a few hours.

4 You're open

Cured on contact. No mess,
no downtime, no waiting.

Free mockup on a photo of your actual wall.

Text us a picture and we'll show you exactly how it will look. No cost, no obligation.
